An application was submitted by the LCDC for the Village of Dansville in the amount of \$500,000 from the New York Main Street. The Office of Community Renewal (OCR) administers the program and reported that there was a high volume of applications received, likely based on the fact that they have not had funding opportunities available for a large percentage of the year. An additional application was submitted for the Village of Avon for technical assistance in the amount of \$20,000 for landscape design behind the Avon Free Library with another \$60,000 requested for implementation to create an entrance to the (new) public parking area downtown. The overall goal is to create a gathering space for members of the community.

Kickoff for the Destination Creation online class began on Monday, January 25th with 12 businesses and community members taking the course. Maureen and Louise are the only two certified instructors for this class in New York State, which teaches business owners to think about what sets them apart from other competitors and makes their business a sought-after destination. This class will run for a period of four (4) weeks, with Monday and Tuesday sessions each week from 9-11. We intend to continue this class on a regular basis for interested proprietors.

Spectrum News ran a nice piece on the award we received from the International Downtown Association. We were able to discuss the various facets of our program as well as the accolades of the award.

BOARD OF ELECTIONS – DAVID DIPASQUALE AND BECKY SCHROEDER

Informational Item(s) Written Only

1. Caucuses are completed for the upcoming Village Elections to be held in Dansville, Lima, Livonia and Mt. Morris. All ballot access deadlines will be effective on February 9 allowing us to finalize ballot creation. There are races in 3 of the 4 Villages. As a reminder, there is no Early Voting for a Village election.
2. As mentioned in the previous report, Geneseo Central School engaged our services and equipment for their January 26 resolution vote. The school has been invoiced.
3. In light of Covid, the Elections Commissioners Conference was held virtually January 19 through January 22. The agenda was productive but a Chat window cannot replace the networking and sharing of ideas and good practices that takes place during a face-to-face conference.
4. One Inspector Chargeback invoice remains outstanding. We have had communication with the Town Clerk and expect that payment soon.
5. As you are aware, Green, Libertarian, Independence and SAM parties did not achieve the required threshold of votes to remain a political party with a ballot line. In December, BOE sent the required notices to voters affected by the change. We continue to field calls from voters and process the party enrollment changes.
6. We continue to review and update procedures in response to Executive Orders and NYS EL changes.
7. The 2021 General Election will have many County and Town offices on the ballot. Please don't hesitate to contact the BOE if you have any questions.
8. Current active voter enrollment stands at 40,199. Democratic: 10,444; Republican: 17,469; Conservative: 918; Working Families: 118; Oth-Green: 120; Oth-Lbt: 147; Oth-Ind: 1,853; Blank-No Party: 9,062-; Oth-Blank: 53; Oth-WEP: 9; and Oth-Reform: 6. Inactive enrollment is at 1,535. Total active/inactive voter enrollment: 41,734.
