1. **PROCLAIMING APRIL 1-7, 2019 AS “NATIONAL PUBLIC HEALTH WEEK” AND THE THEME IS “CREATING THE HEALTHIEST NATION: FOR SCIENCE, FOR ACTION, FOR HEALTH.”**

WHEREAS, since 1995, the American Public Health Association, through its sponsorship of National Public Health Week, has educated the public, policymakers and public health professionals about issues important to improving the public’s health; and

WHEREAS, U.S. life expectancy has decreased in recent years and the three-year drop represents the longest sustained decline in expected lifespan since the Great Recession; further, studies consistently show the United States has a lower life expectancy than comparable countries; and

WHEREAS, there is a significant difference in health status, such as obesity, poor mental health and drug use, among people living in rural areas compared with people living in urban areas, and this variance increases because rural residents are often more likely to face social determinants that negatively impact health, such as poverty, transportation barriers and lack of economic opportunity; and

WHEREAS, public health professionals help communities prevent, prepare for, withstand and recover from the impact of a full range of health threats, including disease outbreaks such as measles, natural disasters and disasters caused by human activity; and

WHEREAS public health action, together with scientific and technologic advances, has played a major role in reducing and in some cases eliminating the spread of infectious disease, and in establishing today's disease surveillance and control systems; and

WHEREAS, 60 percent of Americans live with a preventable chronic disease, and health risks such as alcoholism, obesity and tobacco use are the primary reason for 7 of every 10 deaths annually in the United States; now therefore be it

RESOLVED, by the Livingston County Board of Supervisors that the Supervisors-

1. Support the observance of April 1-7, 2019, as National Public Health Week in Livingston County, NY;
2. Partner across public and private sectors to make sure decisions are made with the public's health in mind;
3. Recognize and applaud the Livingston County Department of Health for providing information about the importance of prevention and making healthy life choices for the residents of Livingston County;
4. Urge the residents of Livingston County to observe this week by helping our families, friends, neighbors, co-workers and leaders better understand the value of public health and supporting great opportunities to adopt preventive lifestyle habits in light of this year's theme, "Creating the Healthiest Nation: For science. For action. For health."

2. **PROCLAIMING THE MONTH OF APRIL AS CHILD ABUSE PREVENTION MONTH**

WHEREAS, Livingston County believes all children need safe, stable, nurturing homes and communities to foster their healthy growth and development; and that child abuse and neglect result in physical and psychological trauma that survivors carry with them for the rest of their lives; and prevention through practical measures and programs mitigate the factors contributing to abuse and neglect; and strategies succeed because of partnerships created among citizens, social service agencies, schools, faith based organizations, health care providers, civic organizations, law enforcement agencies, and the business community; and that communities that make every effort to promote preventive programs that benefit children and their families; and provide parents with the social support, knowledge of parenting and child development and concrete resources to help them cope with stress make a strong commitment to reducing child abuse and ensuring all children grow to their full potential; and

WHEREAS, Everyone in the community needs to be more aware of child abuse prevention and consider helping parents raise their children in a safe, nurturing environment; and recognize April as the month to bring awareness to the role that Communities play to help reduce child abuse and neglect; by working together as a community, we can all play a part in strengthening families and promoting children's well-being; now, therefore be it

RESOLVED, that the Livingston County Board of Supervisors does hereby proclaim **April 2019** as Child Abuse Prevention Month, and during this month and throughout the year, Livingston County is dedicated to supporting families through prevention efforts thereby reducing the risk of child abuse and neglect in the communities in which we live.

WHEREAS, the County of Livingston hereby provides assurance and proclaims its dedication to the goal of Fair Housing Opportunities for all members of the community without regard to race, color, national origin, religion, sexuality, disabilities, age, family status or gender identity and expression; now, therefore, be it

5. **A RESOLUTION OF THE LIVINGSTON COUNTY BOARD OF SUPERVISORS OPPOSING NEW YORK STATE SENATE BILL 2837 / ASSEMBLY BILL 2750 OF 2019**

WHEREAS, Agriculture is Livingston County's number one industry. Farms directly and indirectly provide valuable jobs, support local businesses, and are a critical component of our County and region's economy; and

WHEREAS, farms must compete for workers in a tight labor market in our region so Livingston County farms value and respect their employees and pay a fair wage in order to retain their skilled workforce. According to the USDA, 98% of New York State farms are family owned; and

WHEREAS, Senator Jessica Ramos and Assemblywoman Catherine Nolan have introduced Senate Bill 2837 and Assembly Bill 2750 which would, among other things, provide for collective bargaining rights of farm workers and require overtime pay; and

WHEREAS, farming is already a highly regulated industry where animal agriculture requires a workforce to care for animals 24-hours a day, 7 days a week, 365 days a year and crop, vegetable and fruit farming requires seasonal, climate-sensitive and time-sensitive planting and harvest; and

WHEREAS, the effect of a labor strike on a farm could destroy an entire year's worth of crops, render perishable food not edible and adversely affect the health and care of animals; and

WHEREAS, New York State minimum wage rate ranks among the top five in the country (minimum wage in upstate New York is currently \$3.85 higher than the federal minimum wage). The prices paid to farmers for milk and most crops produced in Livingston County are set by market conditions out of farmers' control so they have no way to recoup added costs of production except by increasing the prices of their products. Proposed overtime will likely result in fewer hours for workers, rather than increased pay since current prices received for agricultural products at the farm level cannot justify overtime pay rates; and

WHEREAS, Livingston County and New York farmers must compete in regional, national and global marketplaces and this legislation will put them at an even greater competitive disadvantage. According to an analysis by Farm Credit East, overtime combined with the rising minimum wage would raise labor costs on New York farms by nearly \$300 million and reduce net farm income 23.4%; and

WHEREAS, family farming is already on the decline and the economic impact of these labor mandates will further reduce profitability and push further disincentive to continue family farming operations in New York State; and

WHEREAS, the net effect of increasing agricultural cost solely on New York farms will simply be to drive New York farm families out of business or out of the state; and

WHEREAS, agriculture provides and protects Livingston County's open spaces and beautiful landscapes, which are in jeopardy of falling to development and non-agriculture use if added costs force farms out of business; and

WHEREAS, in that unique capacity, Livingston County's request to oppose this legislation and stop its passage should be and must be critically considered by State Legislators; now therefore be it

RESOLVED, that the Livingston County Board of Supervisors opposes Senate Bill 2837 / Assembly Bill 2750 and hereby requests that Livingston County's State Legislators take such steps as they can to defeat such legislation; and be it further

RESOLVED, that copies of this resolution be sent to the counties of New York State encouraging member counties to enact similar resolutions; and be it further

RESOLVED, that the Clerk of the Board of Supervisors shall forward certified copies of this Resolution to Governor of the State of New York Andrew Cuomo, Senate Majority Leader Andrea Stewart-Cousins, Senator Patrick Gallivan, Speaker of the New York State Assembly Carl Heastie, Assemblywoman Marjorie Byrnes, Inter County Association of Western New York and New York State Association of Counties and all others deemed necessary and proper.

6. PROCLAIMING THE WEEK OF MAY 6-11, 2019 AS NATIONAL ECONOMIC DEVELOPMENT WEEK AND NATIONAL SMALL BUSINESS WEEK IN LIVINGSTON COUNTY

WHEREAS, Economic Development Week is an event created by the International Economic Development Council to celebrate the achievements of economic development; and

WHEREAS, it is also National Small Business Week, which recognizes the critical contributions of America's entrepreneurs and small business owners; and

WHEREAS, more than half of Americans either own or work for a small business, and they create about two out of every three new jobs in the U.S. each year; and

WHEREAS, economic developers promote economic well-being and quality of life for their communities by creating, retaining, and expanding jobs that facilitate growth, enhance wealth, and provide a stable tax base; and

WHEREAS, economic developers stimulate and incubate entrepreneurship in order to help establish the next generation of new businesses, which is the hallmark of the American economy; and

WHEREAS, economic developers are engaged in a wide variety of settings including rural and urban, local, state, provincial, and federal governments, public-private partnerships, chambers of commerce, universities, and a variety of other institutions; and

WHEREAS, economic developers attract and retain high-quality jobs, develop vibrant communities, and improve the quality of life in their regions; and

WHEREAS, economic developers work in the County of Livingston within the State of New York; now therefore be it
