We are looking at options for the future; we need to stay with the chilled meals for food safety and regulatory considerations.

Outreach:

Our second suicide prevention training at the Emergency Management center in Mt. Morris was a monumental success. All comment cards that were left behind thanked us for providing this training and said that it was very good. This is the second of three trainings to be held. The next one will be in Mt. Morris. The last of the trainings will be at the Dansville American Legion Oct. 27th at 9 AM. Part of this training exercise is to put out feelers on how well received the Dwyer program will be among the veteran community. So far, the proposal of a peer to peer program for veterans to do activities in the community has been very positive.
