WHEREAS, sales tax is the number one revenue source for many counties across the state and the primary local revenue to support services in our communities, especially for frontline workers responding to and facilitating recovery efforts from the pandemic; and

WHEREAS, sales tax is also the number one local revenue source for counties that help keep property taxes lower, including those of hundreds of cities, towns and villages across the state that receive a share of the county sales tax; and

WHEREAS, the largest state diversion of county and New York City sales tax was enacted to support a temporary, two-year, \$250 million annual fiscally distressed health facilities pool to help them with fiscal impacts caused by the pandemic with this diversion scheduled to sunset at the end of SFY 2022; and

WHEREAS, as of September 2021, \$375 million in local sales tax has been diverted by the state with none of this funding being distributed to health facilities in New York; and

# LIVINGSTON COUNTY BOARD OF SUPERVISORS' MEETING NOTICE

Livingston County Government Center, Geneseo, New York 14454 585.243.7030

WHEREAS, the support of fiscally distressed health facilities has been a federal and state responsibility for decades as they set nearly all the rules of operation for the healthcare system, as well as the reimbursement levels for Medicare, Medicaid and other public health programs which account for nearly half of all health care expenditures in the United States; and

WHEREAS, the State Legislature does not support the diversion of local sales tax to pay for what they view as a state responsibility if they feel such assistance becomes necessary; and

WHEREAS, Congress recognized the fiscal stress that health facilities shouldered during the pandemic; and

WHEREAS, Congress has authorized \$178 billion in direct payments to health care facilities and providers through several different federal COVID response bills; and

WHEREAS, healthcare facilities and providers in New York State have received \$11.6 billion in federal assistance so far, with \$40 billion of the federal funding still to be distributed; and

WHEREAS, according to press statements from Senators Schumer and Gillibrand, these federal payments replaced 87 percent of the lost revenues for health facilities in New York through the first half of 2020; now, therefore, be it

RESOLVED, the Livingston County Board of Supervisors call on the Governor and State Legislature to suspend any further diversions of local sales tax for this program, as the Governor declared the COVID public health emergency had ended as of June 24, 2021, and begin work to sunset the law immediately; and be it further

RESOLVED, that copies of this resolution be sent to the counties of New York State encouraging member counties to enact similar resolutions; and be it further

RESOLVED, that the Clerk of the Livingston County Board of Supervisors shall forward copies of this resolution to Governor Kathy Hochul, Senator Patrick Gallivan, Senator George Borrello, Assemblywoman Marjorie Byrnes, Senate Majority Leader Andrea Stewart-Cousins, and Assembly Speaker Carl Heastie and all others deemed necessary and proper.
