4. **REQUESTING THE STATE OF NEW YORK AND THE SENECA NATION COME TO AN AGREEMENT ON GAMING REVENUE SHARING**

WHEREAS, in 2002, the State of New York and the Seneca Nation entered into a compact with a provision that gaming revenue would be shared with the State in return for certain gaming exclusivity rights in Western New York; and

WHEREAS, as part of this legislation, the State of New York shares with local governments, including 16 counties in Western New York, a portion of the revenue they receive from the Seneca Nation; and

WHEREAS, the counties rely on that revenue to maintain infrastructure and provide public safety for all residents as well as provide services needed to help support this growing gaming industry; and

WHEREAS, in 2017 a dispute between the Seneca Nation and the State arose over the language within the compact, leading the Nation to stop revenue sharing payments to the State; and

WHEREAS, the Seneca Nation contends that its responsibility to pay local governments a share of the revenue ended in 2017 at which point the responsibility was transferred to the State; and

WHEREAS, this revenue loss amounts to approximately \$50 million annually to the 16 counties in Western New York; and

WHEREAS, due to a state-imposed property tax cap, counties are finding it increasingly difficult to maintain the critical local services residents demand and expect; and

WHEREAS, the Seneca Nation and the counties of New York have a long history of productive partnerships and respect, and the Nation leaders have recently expressed that they wish to continue this valued partnership with local governments; and

WHEREAS, the long-term viability of this region depends, in part, on all parties coming to an agreement on the involved issues; and

WHEREAS, the Seneca Nation and the State of New York have elected to resolve this issue through arbitration, a process which has already been delayed for over a year in procedures such as panel selection;

and now therefore be it

RESOLVED, Livingston County calls on the State of New York and the Seneca Nation to immediately resolve their differences and reach an agreement to avoid catastrophic harm to public safety and public services; and be it further

RESOLVED, Livingston County calls on the State to make counties whole for past and current losses caused by this negotiation process; and be it further

RESOLVED, that to the extent such losses have been caused directly or indirectly by the failure of the Seneca Nation to abide by the terms of the compact, Livingston County calls on the Seneca Nation to make counties whole so that local services and the residents that rely on those services are not impacted; and be it further

RESOLVED, that the Clerk of the Livingston County Board of Supervisors send certified copies of this resolution to Governor Andrew M. Cuomo, New York State Senator Catharine M. Young, New York State Senator Patrick M. Gallivan, Assemblyman Joe Errigo, and the New York State Association of Counties (NYSAC).
