Department of Health

1. PROCLAIMING THE WEEK OF APRIL 6-12, 2020 as “NATIONAL PUBLIC HEALTH WEEK”, AND THE THEME IS “NPHW@25: LOOKING BACK, MOVING FORWARD”

WHEREAS, since 1995, the American Public Health Association, through its sponsorship of National Public Health Week, has educated the public, policymakers and public health professionals about issues important to improving the public’s health; and

WHEREAS, U.S. life expectancy has decreased in recent years and the three-year drop represents the longest sustained decline in expected lifespan since the Great Recession; further, studies consistently show the United States has a lower life expectancy than comparable countries; and

WHEREAS, there is a significant difference in health status, such as obesity, poor mental health and drug use, among people living in rural areas compared with people living in urban areas, and this variance increases because rural residents are often more likely to face social determinants that negatively impact health, such as poverty, transportation barriers and lack of economic opportunity; and

WHEREAS, public health professionals help communities prevent, prepare for, withstand and recover from the impact of a full range of health threats, including disease outbreaks such as measles, natural disasters and disasters caused by human activity; and

WHEREAS, public health action, together with scientific and technologic advances, has played a major role in reducing and in some cases eliminating the spread of infectious disease, and in establishing today’s disease surveillance and control systems; and

WHEREAS, 60 percent of Americans live with a preventable chronic disease, and health risks such as alcoholism, obesity and tobacco use are the primary reason for 7 of every 10 deaths annually in the United States; now, therefore be it

RESOLVED, that the Livingston County Board of Supervisors:

- Support the observance of April 6-12, 2020, as National Public Health Week in Livingston County, New York;
- Partner across public and private sectors to make sure decisions are made with the public’s health in mind;

- Recognize and applaud the Livingston County Department of Health for providing information about the importance of prevention and making healthy life choices for the residents of Livingston County;
- Urge the residents of Livingston County to observe this week by helping our families, friends, neighbors, co-workers and leaders better understand the value of public health and supporting great opportunities to adopt preventive lifestyle habits in light of this year’s theme, “NPHW@25: Looking Back, Moving Forward”.
