We are tentatively scheduling a meeting on November 13 with town and village representatives to review existing conditions, discuss the needs assessment and talk about potential alternatives and recommendations.

HOUSING NEEDS ASSESSMENT AND MARKET ANALYSIS. MRB Group has been working on a Housing Initiatives Report and Demographics, Geographic and Economic Data. The Steering Committee is currently reviewing the document.

RADIO COMMUNICATIONS UPGRADE PROJECT. Work continues on the Short Tract Road tower site. The project should be completed and up and running before the end of this year. The PMT started planning upgrades at the Groveland and Jakman Hill tower site locations due to aging infrastructure. Motorola is reviewing possible antenna modifications at Jakman Hill for improvement in the Lima area and investigating the feasibility of a tower at the EOC to address coverage gaps along State Route 63 and the Village of Mt. Morris and County Campus.
