PRIVILEGES OF THE FLOOR

MAUREEN WHEELER & MATT COLE – UNITED WAY CO-CHAIRS

- UNITED WAY COUNTY WORKER CAMPAIGN KICKOFF

Maureen Wheeler thanked the Chairman for the opportunity to address the Board and expressed her pleasure to be here today to kick off the 2020 Livingston County Employee United Way Campaign-Mission 2020. Ms. Wheeler started by introducing the following Campaign Coordinators: Sue Bagley, Andrea Bailey, Sue Carlock, Zack Cracknell, Megan Crowe, Kim Kavanaugh, Cheryl Manthey, Amanda Schultz, Mary Strickland, Josh Tonra and Jeff Winters, along with Chairman of the United Way Board, Matt Cole and Director of United Way Livingston County, Karen Rumfola. Last year the generosity of our County employees helped the United Way of Livingston County provide funding to 19 local programs, which in turn, provided vital services to 14,656 Livingston County residents. This means that almost one quarter of the County population is, in one way or another, touched by the United Way. Today, we are fortunate to have a representative from one of those funded agencies, here to talk about the significance of the campaign on their volunteered staff agency. Ms. Wheeler introduced Mary Amelio Welch with the Santa Hat Society based in Dansville.

Ms. Welch explained that founder, Mary Kate Shaffer extended her regrets that she could not be here today. Ms. Welch expressed that she is happy to have this opportunity to talk about their organization. The organization started when Mary Kate was 11 years old and some class mates lost their father on Christmas night. This had an enormous impact on Mary Kate and she worked odd jobs and chores for family and friends in exchange for donations to buy Christmas presents for this family of nine to help bring a little joy to the one year anniversary of their father's death. She raised \$2,000, covering that family's entire Christmas. Mary Kate felt called to do something for those suffering about the emotional distress of those suffering at Christmas. Santa's Hat Society is managed by a group of teenagers, became a non-profit corporation in 2014, receiving 501k3 status that same year. Their Mission is to provide Christmas gifts to families with minor children who suffered the traumatic loss of a parent or child, who may have an immediate family member suffering from a terminal or serious illness or a working family suffering through serious financial distress because of something like a house fire. The Society identifies and unanimously help families in their year of tragedy through advocates they call elves. These advocates work as a go between in getting Santa wish lists from each child and making the delivery of wrapped gifts by Christmas morning. Ms. Welch reviewed one year when Santa came in the summer on a fire truck for a terminally ill child and another time for a family when a Mother was suffering from a serious illness. The Santa Hat Society has helped 216 families since 2006. The Society helps struggling families get

through Christmas with a just a little bit less pain. On behalf of Santa Hat Society, Ms. Welch expressed her thanks and stated that what they do would not be possible without the County Employee's support of United Way of Livingston County.

Ms. Wheeler announced that the mission for this year's goal is the largest ever at \$41,000. Ms. Wheeler reviewed the many opportunities to help support the campaign over the next 11 weeks. It is important to let your employees and co-workers know the importance of these donations.

Mr. Cole thanked Maureen Wheeler for all of her efforts that she puts into making this campaign work. Everybody works really hard.

CLOSE PUBLIC HEARING

Chairman LeFeber asked if anyone wished to comment regarding the public hearing. No one wished to speak. The Chairman asked if any Supervisor wished to comment.

Comments:

Mr. Gott commented on local law B-2020 reaffirming his statement at the Ways and Means Committee that he fully supports this local law. Livingston County has had a rich tradition of hiring the most qualified and quality candidates to fill any position in our county and if a simple modification to the Public Officers law continues to allow us to do that, he thinks we should all support it.

The Chairman declared the public hearing closed.

- d. The tax imposed by this Local Law shall be paid upon any occupancy on and after April 1, 2020, although such occupancy is had pursuant to a contract, lease or other arrangement made prior to such date. Where rent is paid or charged or billed, or falls due on either a weekly, monthly or other term basis, the rent so paid charged, billed or falling due shall be subject to the tax herein imposed to the extent that it covers any portion of the period on and after April 1, 2020. Where any tax has been paid hereunder upon any rent which has been ascertained to be worthless, the Treasurer may by regulation provide for credit and/or refund of the amount of such tax upon application therefor as provided in section 406 of this Local Law.
- e. For the purpose of the proper administration of this Local Law and to prevent evasion of the tax hereby imposed, it shall be presumed that all rents are subject to tax until the contrary is established, and the burden of providing that a rent for occupancy is not taxable hereunder shall be upon the operator, except that, where by regulation pursuant to section 302(d) an occupant is required to file returns and pay directly to the Treasurer the tax herein imposed, the burden of proving that a rent for occupancy is not taxable shall be upon the occupant. Where an occupant claims exemption from the tax under the provisions of section 304, the rent shall be deemed taxable hereunder unless the operator shall receive from the occupant claiming such exemption a certificate duly executed by an exempt corporation or association certifying that the occupant is its agent, representative, or employee, together with a certificate executed by the occupant that his occupancy is paid or to be paid by such exempt corporation or association, and is necessary or required in the course of or in connection with the occupant's duties as a representative of such corporation or association. Where deemed necessary by the operator, he may further require that any occupant claiming exemption from the tax furnish a copy of a certificate issued by the Treasurer certifying that the corporation or association therein named is exempt from the tax under section 304.

303. Determination of Taxable Rent:

- a. The tax shall be imposed upon the total consideration received for occupancy of a room or rooms in a hotel, motel, tourist home, cottage, cabin, condominium, bed & breakfast, and short term or vacation rental, including all charges by whatever term designated, valued in money, whether received in money or otherwise.
- b. When the occupant becomes a permanent resident, the operator shall discontinue collection of the tax.

304. Exempt Organizations:

- a. Except as otherwise provided in this section, any use or occupancy by any of the following shall not be subject to the tax imposed by this Local Law:
 - I. The State of New York or any public corporation (including a public corporation created pursuant to agreement or compact with another state or Canada), improvement district or political subdivision of the state;
 - ii. The United States of America, insofar as it is immune for taxation;
 - iii. Any corporation or association, or trust, or community chest, fund or foundation organized and operated exclusively for religious, charitable or education purposes, or for the prevention of cruelty to children or animals, and no part of the net earnings of which inures to the benefit of any private shareholder or individual and no substantial part of the activities of which is carrying on propaganda, or otherwise attempting to influence legislation; provided, however, that nothing in this section shall include an organization operated for the primary purpose of carrying on a trade or business for profit, whether or not all of its profits are payable to one or more organizations described in this section.

- b. Where any organization described in section 304(a)(iii) carries on its activities in furtherance of the purposes for which it was organized, in premises in which, as part of said activities, it operates a hotel, motel, tourist home, cottage, cabin, condominium, bed & breakfast, and short term or vacation rental, occupancy of rooms in the premises and rents therefrom received by such corporation or association shall not be subject to tax hereunder.

TITLE 400 - REGISTRATION, RECORDS, RETURNS, PAYMENT, REFUNDS

- 401. Registration: Within ten days after the effective date of this Local Law, or in the case of operators commencing business after such effective date of this Local Law, within three days after such commencement or opening, every operator shall file with the Treasurer an application for a certificate of authority empowering such operator to collect the tax from the occupant. Upon receipt of such application, the Treasurer shall issue a certificate of authority to such operator which when authenticated shall constitute the authority for the purposes of this Local Law. Each application for a certificate of authority shall state the hotel or motel to which it is applicable; the name of the operator of such hotel, motel, tourist home, cottage, cabin, condominium, bed & breakfast, and short term or vacation rental, the address of such operator, the taxpayer identification number assigned to such operator, the state of incorporation and the date upon which such corporation obtained authority to do business in this state, if not organized in this state, the names of each partner, if a partnership, and such other information as the Treasurer may by rule require. Such certificates of authority shall be prominently displayed by the operator in such manner that it may be seen and come to the notice of all occupants and persons seeking occupancy. Such certificates shall be non-assignable and non-transferable and shall be surrendered immediately to the Treasurer upon the cessation of business at the hotel or motel named or upon its sale or transfer.
- 402. Records To Be Maintained: Every operator shall keep records of every occupancy and of all rent paid, charged, or due thereon and of the tax payable thereon, in such form as the Treasurer by regulation requires. Such records shall be available for inspection and examination at any time upon demand by the Treasurer or his duly authorized agent or employee and shall be preserved for a period of three years, except that the Treasurer may consent to their destruction within that period or may require that they be kept longer.
- 403. Returns:
 - a. Every operator shall file with the Treasurer a return of occupancy and of rents, and of the taxes payable thereon for the quarterly periods ending March 31, June 30, September 30 and December 31 of each year, on and after the first day of April, 2020. Such returns shall be filed within thirty days from the expiration of the period covered thereby. The Treasurer may permit or require returns to be made by other periods and upon such dates as he may specify. If the Treasurer deems it necessary in order to insure the payment of the tax imposed by this Local Law, he may require returns to be made for shorter periods than those prescribed pursuant to the foregoing provisions of this section and upon such dates as he may specify.
 - b. The forms of returns shall be prescribed by the Treasurer and shall contain such information as he may deem for the proper administration of this Local Law. The Treasurer may require amended returns to be filed within twenty days after notice and to contain the information specified in the notice.
 - c. If a return required by this Local Law is not filed, or a return filed is incorrect or insufficient on its face, the Treasurer shall take the necessary steps to enforce the filing of such a return or of a corrected return.
- 404. Payment of Tax: At the time of filing a return of occupancy and of rents each operator shall pay to the Treasurer the taxes imposed by this Local Law upon the rents required to be included in such return, as well as all other moneys collected by the operator acting or purporting to act under the provisions of this Local Law. Where the Treasurer, in his discretion, deems it necessary to protect revenues to be obtained under this Local Law, the Treasurer may require an operator to file with him a bond, issued by a surety company authorized to transact business in this state and approved by the superintendent of insurance of this state as to solvency and responsibility, in such amount as the Treasurer may fix to secure the payment of any tax and/or penalties and interest due or which may become due from such operator. In the event that the Treasurer determines that an operator is to file such bond he shall give notice to such operator to that effect specifying the amount of the bond required. The operator shall file such bond within five days after the giving of such notice unless within such five days the operator shall request in writing a hearing before the Treasurer at which the necessity, propriety and amount of the bond shall be determined by the Treasurer. Such determination shall be final and shall be complied with within fifteen days after the giving of such notice thereof. In lieu of such bond,

securities approved by the Treasurer or cash in such amount as he may prescribe, may be deposited which shall be kept in the custody of the Treasurer who may at any time without notice to the depositor apply them to any tax and/or interest or penalties due, and for that purpose the securities may be sold by him at public or private sale without notice to the depositor thereof.

405. Determination of Tax: If a return required by this Local Law is not filed, or if a return when filed is incorrect or insufficient, the amount of tax due shall be determined by the Treasurer from such information as may be obtainable and, if necessary, the tax may be estimated on the basis of external indices, such as number of rooms, location, scale of rents, comparable rents, type of accommodations and service, number of employees and/or other factors. Notice of such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within thirty days after giving of notice of such determination, shall apply to the Treasurer for a hearing, or unless the Treasurer of his own motion shall re-determine the same. After such hearing, the treasurer shall give notice of his determination to the person against whom the tax is assessed. The determination of the Treasurer shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by proceeding under Article 78 of the Civil Practice Law and Rules if application therefor is made to the Supreme Court within thirty days after the giving of the notice of such determination. A proceeding under Article 78 of the Civil Practice Law and Rules shall not be instituted unless:
- a. The amount of any tax sought to be reviewed, with penalties and interest thereof, if any, shall be first deposited with the Treasurer and there shall be filed with the Treasurer an undertaking, issued by a surety company authorized to transact business in this state and approved by the superintendent of insurance of this state as to solvency and responsibility, in such amount as a justice of the supreme court shall approve to the effect that if such proceeding be dismissed or the tax confirmed the petitioner will pay all costs and charges which may accrue in the prosecution of the proceeding, or
 - b. At the option of the applicant such undertaking filed with the Treasurer may be in a sum sufficient to cover the taxes, penalties and interest thereon stated in such determination plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the applicant shall not be required to deposit such taxes, penalties and interest as a condition precedent to the application.

406. Refunds:
- a. In the manner provided in this section the Treasurer shall refund or credit, without interest, any tax, penalty or interest erroneously, illegally or unconstitutionally collected or paid if application to the Treasurer for such refund shall be made within one year from the payment thereof. Whenever a refund is made by the Treasurer, he shall state his reason therefor in writing. Such application may be made by the occupant, operator or other person who has actually paid the tax. Such application may also be made by an operator who has collected and paid over such tax to the Treasurer provided the application is made within one year of the payment by the occupant to the operator, but no actual refund of money shall be to such operator until he shall first establish to the satisfaction of the Treasurer, under such regulations as the Treasurer may prescribe, that he has repaid to the occupant the amount for which the application for refund is made. The Treasurer may in lieu of any refund required to be made, allow credit therefor on payments due from the applicant.
 - b. An application for a refund or credit made as herein provided shall be deemed an application for a revision of any tax, penalty or interest complained of and the Treasurer may receive evidence with respect thereto. After making his determination the Treasurer shall give notice thereof to the applicant, who shall be entitled to review said determination by a proceeding pursuant to Article 78 of the Civil Practice Law and Rules, provided the proceeding is instituted within 30 days after the giving of the notice of determination and provided a final determination of tax due was not previously made. Such a proceeding shall not be instituted unless an undertaking is filed with the County Treasurer in such amount and with such sureties as a justice of the supreme court shall approve to the effect that if such proceedings be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.
 - c. A person shall not be entitled to a revision, refund or credit under this section of a tax, interest or penalty which had been determined to be due pursuant to the provisions of section 405 of this Local Law where he has had a hearing or an opportunity for a hearing, as provided in said section or has failed to avail himself of the remedies therein provided. No refund or credit shall be made of the tax, interest or penalty paid after a determination by the Treasurer made pursuant to section 405 of this Local Law

unless it is found that such determination was erroneous, illegal or unconstitutional or otherwise improper by the Treasurer after a hearing on the petition of a person liable for payment of the tax brought within thirty days after the filing of a determination of the Treasurer after a hearing pursuant to section 405 of this Local Law, or upon his own motion, or in a proceeding under Article 78 of the Civil Practice Law and Rules, pursuant to the provisions of said section. In that event a refund or credit without interest shall be made of the tax, credit or penalty found to have been overpaid.

407. Reserves: In cases where the occupant or operator has applied for a refund and has instituted a proceeding under Article 78 of the Civil Practice Law and Rules to review a determination adverse to him on his application for refund, the Treasurer shall set up appropriate reserves to meet any decision adverse to the County.

408. Remedies Exclusive: The remedies provided by section 405 and 406 of this Local Law shall be exclusive remedies available to any person for the review of tax liability imposed by this Local Law, and no determination or proposed determination on any application for refund shall be enjoined or reviewed by an action for declaratory judgment, an action for money had and received or by an action or proceeding in a nature of a certiorari proceeding under Article 78 of the Civil Practice Law and Rules; provided, however, that a taxpayer may proceed by declaratory judgment if he institutes suit within thirty days after a deficiency assessment is made and pays the amount of the deficiency assessment to the Treasurer prior to the institution of such suit and posts a bond for costs as provided in section 405 of this Local Law.

TITLE 500 - ENFORCEMENT OF COLLECTION OF TAX, PENALTIES AND INTEREST

501. Proceedings to Recover Tax:

- a. Whenever any operator or any officer of a corporate operator or any occupant or other person shall fail to collect and pay over any tax and/or to pay any tax, penalty or interest imposed by this Local Law as therein provided, the County Attorney shall, upon the request of the Treasurer bring or cause to be brought an action to enforce the payment of the same on behalf of the County of Livingston in any court of the State of New York or of any other state of the United States. If, however, the Treasurer in his discretion believes that any such operator, officer, occupant or other person is about to cease business, leave the state or remove or dissipate the assets out of which the tax or penalties might be satisfied, and that any such tax or penalty will not be paid when due, he may declare such tax or penalty to be immediately due and payable and may issue a warrant immediately.
- b. As an additional or alternate remedy, the Treasurer may issue a warrant, directed to the Sheriff commanding him to levy upon and sell the real and personal property of the operator or officer of a corporate operator or other person liable for the tax, which may be found within the County for the payment of the amount thereof, with any penalties and interest and the cost of executing the warrant, and to return such warrant to the Treasurer and to pay to him the money collected by virtue thereof within sixty days after the receipt of such warrant. The Sheriff shall, within five days after the receipt of the warrant, file with the County Clerk a copy thereof, and thereupon such Clerk shall enter in the judgment docket the name of the person mentioned in the warrant and the amount of the tax, penalties and interest for which the warrant is issued and the date when such copy is filed. Thereupon the amount of such warrant so docketed shall become a lien upon the interest in real and personal property of the person against whom the warrant is issued. The Sheriff shall then proceed upon the warrant, in the same manner, and with like effect, as that provided by law in respect to executions issued against property judgments of a court of record and for services in executing the warrant he shall be entitled to the same fees, which he may collect in the same manner. In the discretion of the Treasurer, a warrant of like terms, force and effect may be issued and directed to any officer or employee of the Treasurer and in the execution thereof such officer or employee shall have all the powers conferred by law upon sheriffs, but shall be paid in the performance of such duty. If a warrant is returned not satisfied in full, the Treasurer may from time to time issue new warrants and shall also have the same remedies to enforce the amount due thereunder as if the County has recovered judgment therefor and execution thereon has been returned unsatisfied.
- c. Whenever an operator shall make a sale, transfer, or assignment in bulk of any part or the whole of his hotel or motel or his lease, license or other agreement or right to possess or operate such hotel or motel or of the equipment, furnishings, fixtures, supplies or stock of merchandise, or the said premises or lease, license or other agreement or right to possess or operate such hotel or motel and the equipment,

furnishings, fixtures, supplies and stock of merchandise pertaining to the conduct or operation of said hotel or motel, otherwise than in the ordinary and regular prosecution of business, the purchaser, transferee or assignee shall at least ten days before taking possession of the subject of the sale, transfer or assignment, or paying therefor, notify the Treasurer by registered or certified mail, return receipt requested, of the proposed sale and of the price, terms and conditions thereof whether or not the seller, transferor or assignor, has represented to or informed the purchaser, transferee or assignee that it owes any tax pursuant to this Local Law, and whether or not the purchaser, transferee or assignee has knowledge that such taxes are owing, and whether any such taxes are in fact owing.

- d. Whenever the purchaser, transferee or assignee shall fail to give notice to the Treasurer as required by the preceding paragraph or whenever the Treasurer informs the purchaser, transferee or assignee that a possible claim for such tax or taxes exists, any sums of money, property or choses in action, or other consideration, which the purchaser, transferee or assignee is required to transfer over to the seller, transferor or assignor shall be subject to a first priority right and lien for any such taxes theretofore or thereafter determined to be due from the seller, transferor or assignor to the County, and the purchaser, transferee or assignee is forbidden to transfer to the seller, transferor or assignor any such sums of money, property or choses in action to the extent of the amount of the County's claim. For failure to comply with the provisions of this subdivision, the purchaser, transferee or assignee, in addition to being subject to the liabilities and remedies imposed under the provisions of Article 6 of the Uniform Commercial Code, shall be personally liable for the payment to the County of any such taxes theretofore or thereafter determined to be due to the County from the seller, transferor, or assignor, and such liability may be assessed and enforced in the same manner as the liability for tax under this Local Law.

502. Penalties and Interest:

- a. Any person failing to file a return or to pay over any tax to the Treasurer within the time required by this Local Law shall be subject to a penalty of five percent of the amount of tax due for each month or portion thereof during which such tax due shall remain unpaid but in no event shall such penalty exceed twenty-five percent of the tax due; plus interest computed at the rate and in the manner provided in section 924-a of the Real Property Tax Law, but in no event shall such interest be less than one percent of such tax for each month of delay; but the Treasurer, if satisfied that the delay was excusable, may remit all or part of the penalty, but not interest computed at the rate of six percent per year. Such penalties and interest shall be paid and disposed of in the same manner as other revenues of such tax. Unpaid penalties and interest may be enforced in the same manner as the tax imposed by this Local Law.
- b. Any operator or occupant and any officer of a corporate operator or occupant failing to file a return required by this Local Law, or filing or causing to be filed, or making or causing to be made or giving a causing to be given any return, certificate, affidavit, representation, information, testimony or statement required or authorized by this Local Law, which is willfully false, and any operator and any officer of a corporate operator willfully failing to file a bond required to be filed pursuant to section 405 of this Local Law, or failing to file a registration certificate and such date in connection therewith as the Treasurer may by regulation or otherwise require or to display or surrender the certificate of authority as required by this Local Law or assigning or transferring such certificate of authority and any operator and any officer of a corporate operator willfully failing to charge separately from the rent the tax herein imposed, or willfully failing to state such tax separately on any evidence or occupancy and on any bill or statement or receipt or rent issued or employed by the operator, or willfully failing or refusing to collect such tax from the occupant, and any operator and any officer of a corporate operator who shall refer or cause reference to be made to this tax in a form or manner other than that required by this Local Law, and any operator failing to keep the records required by section 402 of this Local Law, shall, in addition to the penalties herein or elsewhere prescribed, be guilty of a misdemeanor, punishment for which shall be a fine of not more than one thousand dollars, or imprisonment for not more than one year, or both such fine and imprisonment. Officers of a corporate operator shall be personally liable for the tax collected or required to be collected by such corporation under this Local Law, and subject to the penalties herein above imposed.

503. Returns to be Secret:

- a. Except in accordance with proper judicial order, or as otherwise provided by law, it shall be unlawful for the Treasurer or any officer or employee of the Treasurer to divulge or make known in any manner the rents or other information relating to the business of a taxpayer contained in any return required to be filed pursuant to this Local Law. The officers charged with the custody of such returns shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding under the provisions of this Local Law, or on behalf of any party to the action or proceeding under the provisions of this Local Law when the proceeding, in either of which events the court may require the production of, and may admit in evidence, so much of said returns or of the fact shown thereby, as are pertinent to the action or proceeding and no more. Nothing herein shall be construed to prohibit the delivery to a taxpayer or his duly authorized representative of a certified copy of any return filed in connection with his tax nor to prohibit the publication of statistics so classified as to prevent the identification of particular returns and the items thereof, or the inspection by the County Attorney or other legal representatives of the County of the return of any taxpayer who shall bring action to set aside or review the tax based thereon, or against whom an action or proceeding has been instituted for the collection of a tax or penalty. Returns shall be preserved for three years and thereafter until the Treasurer permits them to be destroyed.
- b. Any violation of section 503(a) shall be punishable by a fine not exceeding one thousand dollars, or by imprisonment not exceeding one year or both, in the discretion of the court, and if the offender be an officer or employee of the County he shall be dismissed from office and be incapable of holding any public office for a period of five years thereafter.

504. Notices and Limitations of Time:

- a. Any notice authorized or required under the provisions of this Local Law may be given by mailing the same to the person for whom it is intended in a postpaid envelope addressed to such person at the address given in the last return filed by him pursuant to the provisions of this Local Law, or in any application made by him, or if no return has been filed or application made, then to such address as may be obtainable. The mailing of such notice shall be presumptive evidence of the receipt of the same by the person to whom addressed. Any period of time which is determined according to the provisions of this Local Law by giving the notice shall commence to run from the date of mailing of such notice.
- b. The provisions of the Civil Practice Law and Rules or any other law relative to limitations of time for the enforcement of a civil remedy shall not apply to any proceeding or action taken by the County to levy, appraise, assess, determine or enforce the collection of any tax or penalty provided by this Local Law. Except in the case of a willfully false or fraudulent return with intent to evade the tax, no assessment of additional tax shall be made after the expiration of more than three years from the date of filing of a return; provided, however, that where no return has been filed as provided by law the tax may be assessed at any time.
- c. Where, before the expiration of the period prescribed herein for the assessment of an additional tax, a taxpayer has consented in writing that such period be extended, the amount of such additional tax due may be determined at any time within such extended period. The period so extended may be further extended by subsequent consents in writing made before the expiration of the extended period.

TITLE 600 - DISPOSITION OF REVENUES

- 601. Disposition of Revenues: All revenues resulting from the imposition of the tax under this Local Law shall be paid into the treasury of Livingston County and shall be credited to and deposited in the general fund of such county and shall be available thereafter for the promotion of tourism and tourist attractions in Livingston County, as well as the promotion of tourism and tourist attractions of the larger region of which Livingston County is a part provided that funding for regional promotion shall not exceed fifty percent of the revenue received hereunder in any year and that not more than five percent of such revenue shall be used for the cost of administering such tax. Such promotion may be carried out by an appropriate organization or organizations as designated by the Livingston County Board of Supervisors.

TITLE 700 - SEPARABILITY AND EFFECTIVE DATE

- 701. Separability: If any clause, sentence, paragraph, section or part of this Local Law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment, decree or order shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, subdivision section or part thereof directly involved in the controversy in which such judgment, decree or

order shall have been rendered and the remainder of this Local Law shall not be affected thereby and shall remain in full force and effect.

702. Effective Date: This Local Law shall take effect on April 1, 2020, and expire on March 31, 2023 except that the provisions of this Local Law relating to registration and the authority of the Treasurer to adopt regulations and take all necessary action to prepare for the implementation and enforcement of this Local Law shall take effect immediately.

OTHER BUSINESS

County Administrator Updates: Mr. Coyle reviewed that a normal part of process on the Executive Budget's release, the Governor has 30 days to put forth 30 day amendments. There were no amendments put forth to our benefit for the big issue of the day for us, the Medicaid issue. This enhanced FMAP that is enhanced extra revenues coming back to the state from the federal government that, essentially the entire federal delegation at New York State, so Gillibrand, Schumer and the Congressional representatives all dictated and mandated that would flow back to counties because we are a payor in all of this; the state is now taking the position that that Federal Enhanced Medicaid Assistance is the property of the state and not due back to counties. The state has quantified the impact to counties between the \$0-

\$750M range. Also, if we breach the Property tax cap for any reason, we are immediately outside of the whole Medicaid cap situation as you are going to be taking care of any growth beyond that Medicaid cap that you would normally have some relief from under normal circumstances with the state picking up the balance of that. They're talking about 3% Medicaid growth, if we can keep our Medicaid growth at 3%, somehow, we will be able to stay within the Medicaid cap situation. There are two ways at looking at how to quantify that number as far as growth and NYSAC put together under what's called the net savings limit, the average increase the last five years was 16% one way and if you look at it a different way, it's 5% average. Both of those are more than 3% and the state knows that so this is our fight of the day to push back against because it will significantly impact counties to the negative. Another item that came out in the 30 day impacts solar with additional state control over some process elements including power associated with PILOT agreements, maybe having to accept the NYSERDA blanket guidance on what those PILOT rates should be as opposed to negotiating yourselves at the local level and maybe so additional control over the timelines and the permitting process other than what is already in the Article 10 process. We are close to completion with the Broadband expansion grant with our Reconnect USDA grant application that is due on March 16. There will be a series of updates in the upcoming Committee meetings where will need a supporting resolution for that application. If all goes well, we will be partnering with Empire Access out of Prattsburg. They will be looking to expand to 5,000 access points/addresses across the county, of which ~2,000 -2,500 of those have nothing or next to nothing as far as high speed Internet spanning across the county. Mr. Coyle will be in Washington DC with Jason Skinner for the NACO conference next week and will also be meeting with the Rural Utility Service about this exact project to try to emphasize the needs for the County and for these funds. This is a pretty important project for the County

Chairman LeFeber asked for a show of hands of any Board members planning to attend the annual presentation of the Disability Awareness Month Proclamation to the Arc next Tuesday.
