Additional Positive Case of COVID-19 Reported in Livingston County

Mount Morris, NY, March 24, 2020 — The Livingston County Department of Health (LCDOH) is reporting one new positive case of COVID-19 in Livingston County as of this afternoon, which brings the total number of positive cases to five.

According to Jennifer Rodriguez, Livingston County Public Health Director, the individual is a female in her 60s who resides in York and is at her home under mandatory quarantine. One household member related to this case is also under mandatory quarantine. LCDOH was notified of this positive case this afternoon.

Rodriguez stated that LCDOH will immediately begin outreach to identify close contacts and potential exposure areas per prescribed New York State regulations.

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 5

Negative Test results: 47

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585- 243-7290.
