### **Livingston County Reports Two More Positive Cases of COVID-19**

**Mount Morris, NY, March 30, 2020** — The Livingston County Department of Health (LCDOH) reports two new positive cases of COVID-19 in Livingston County as of this morning, which brings the total number of positive cases to fifteen.

According to Jennifer Rodriguez, Livingston County Public Health Director, the first individual is a female in her 90s who resides in Mount Morris. She was tested at a Monroe County hospital and currently remains hospitalized. The second individual is a male in his 30s who resides in Livonia. He was tested at a hospital in Monroe County and is currently at his private residence under mandatory quarantine. Five household members related to this case are also under mandatory quarantine at home.

In accordance with state and federal medical privacy laws, additional information about these individuals will not be provided. LCDOH was notified of these positive cases this morning.

Rodriguez stated that LCDOH will immediately begin outreach to identify close contacts and potential exposure areas per prescribed New York State regulations.

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 15

Negative Test results: 114

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.

Rodriguez said, "We want to send a strong message to our residents as this disease continues to spread. COVID-19 does not move on its own. When people move, the virus moves. Please do your part, be responsible, and stay home whenever possible to slow the spread. More than ever, we need to work together to protect the health and safety of our community. Staying home saves lives."

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer.
