Livingston County Reports Third Death Related to COVID-19 and Additional Positive Cases

Mount Morris, NY, April 10, 2020 — The third COVID-19-related death in Livingston County occurred on April 9, 2020, according to the Livingston County Department of Health (LCDOH). Livingston County Public Health Director, Jennifer Rodriguez, confirmed that the Avon female in her 80s died at her residence and had underlying health issues.

Rodriguez stated, "We are truly devastated by the loss of another life to COVID-19. Our heartfelt condolences go out to the family, friends and loved ones affected by this death. Now, more than ever, we must come together as a community to help save lives. Please continue to stay home and practice social distancing to stop the spread of this virus."

LCDOH also reports two new positive cases of COVID-19 in Livingston County as of this morning, which brings the total number of positive cases to thirty-four.

According to Rodriguez, the first individual is the deceased Avon female described above. Two household members related to this case are under mandatory quarantine per LCDOH. The second individual is a female in her 40s who resides in Livonia. She was tested at her medical provider's office and is currently in her private residence under mandatory quarantine per LCDOH. The investigation into this case is pending.

In accordance with state and federal medical privacy laws, additional information about these individuals will not be provided. LCDOH was notified of these positive cases this morning.

Rodriguez stated that LCDOH will immediately begin outreach to identify close contacts and potential exposure areas per prescribed New York State regulations.
