LIVINGSTON COUNTY
SECOND LOCAL STATE OF EMERGENCY DECLARATION

On March 14, 2020, I issued a Local State of Emergency Declaration for Livingston County.

There continues to exist in this County a State of Emergency related to Coronavirus-19 (COVID-19). The County now has several positive cases and the number continues to grow on a daily basis. This pandemic continues to represent a clear and imminent threat to the welfare and safety of residents in Livingston County. The County continues to take a proactive measure to assure continuity of operations, promote communication relative to this health crisis, and to prepare adequately for the necessary public service response.

I find that I must take this step to keep the County in a state of preparedness and to continue to protect the public safety of all Livingston County residents.

Therefore, in an effort to control the spread of this dangerous virus and to keep County residents safe, I will extend the Local State of Emergency pursuant to the powers vested in me by the laws of this State.

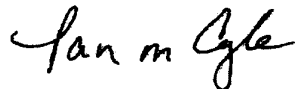

Pursuant to the powers vested in me, by virtue of New York State Executive Law Section 24, I hereby issue this Second Local State of Emergency Declaration for Livingston County, extending the Local State of Emergency for another thirty-day period beginning 5:00 p.m. on April 13, 2020 and ending at 4:59 p.m. on May 13, 2020.

Dated: April 10, 2020

David L. LeFeber
Chairman of the Board
