Two Additional Positive Cases of COVID-19 in Livingston County

Mount Morris, NY, April 15, 2020 — The Livingston County Department of Health (LCDOH) reports two new positive cases of COVID-19 in Livingston County as of this morning.

According to Jennifer Rodriguez, Livingston County Public Health Director, the individuals and any associated household members are now in the LCDOH quarantine process.

- Female in her 100s who resides in Avon
- Female in her 50s who resides in Nunda

In accordance with state and federal medical privacy laws, additional information about these individuals will not be provided. LCDOH was notified of these positive cases this morning.

Rodriguez stated that LCDOH will immediately begin outreach to identify close contacts and potential exposure areas per prescribed New York State regulations.

In addition, Rodriguez notes an adjustment to the current number of positive cases due to a reinfection. A positive case reported on April 13, 2020 is a re-infected individual from a previously reported positive case. Based upon consultation with the New York State Department of Health (NYSDOH), LCDOH is now reporting this as one case rather than two. All future positive cases involving reinfection will be reported in the same manner per New York State guidance.

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 38

Negative Test results: 381

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is a free and confidential service. Please call 585-243-7251, Monday – Friday from 9:00AM – 5:00PM. For COVID-19 information, please visit Livingston County's dedicated [COVID-19 webpage](#) and join us on [Facebook](#), [Twitter](#), and [YouTube](#).
