Livingston County Reports Two New Positive Cases of COVID-19

Mount Morris, NY, April 27, 2020 — The Livingston County Department of Health (LCDOH) reports two new positive cases of COVID-19 in Livingston County as of this morning, which brings the total number of positive cases to sixty-three.

According to Jennifer Rodriguez, Livingston County Public Health Director, these individuals and any associated household members are now in the LCDOH quarantine process.

- Female in her 90s who resides in Avon
- Male in his 30s who resides in Mount Morris

Rodriguez stated that LCDOH will immediately begin outreach to identify close contacts and potential exposure areas per prescribed New York State regulations.

“It is imperative that Livingston County residents continue to take preventative measures and follow ‘safer at home’ guidelines, which are intended to help our community recover in a way that is measured and allows for the best outcome,” said Rodriguez. “The Livingston County Department of Health continues to have thoughtful and productive dialogue with state and regional leaders as well as our peers in neighboring counties to ensure this happens.”

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 63

Negative Test results: 904

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.
