Geneseo, NY, May 6, 2020 — Two drive-thru food distribution events will be held on May 16, 2020 and May 20, 2020 in Livingston County to assist households in need of food support during this public health emergency. Registration is on a first come, first served basis for Livingston County residents only.

Livingston County has once again partnered with Foodlink to supply each of the registered households with a box of non-perishable, emergency food items in response to the COVID-19 crisis.

Angela Ellis, Deputy County Administrator, stated, "Close to 700 households were served during the last round of food distribution. This speaks to the current demand for food support throughout our community during this challenging time." Ellis continued, "These events are made possible thanks to the hard work and dedication of everyone involved, including our friends at Foodlink, local school districts and farms, county staff, and volunteers."
