Additional Positive Case of COVID-19 in Livingston County

Mount Morris, NY, May 16, 2020 — The Livingston County Department of Health (LCDOH) reports one new positive case of COVID-19 in Livingston County as of this morning, which brings the total number of positive cases to one hundred and five (105).

According to Jennifer Rodriguez, Livingston County Public Health Director, the new positive case is a male in his 70s who resides in Springwater. He and any associated household members are now in the LCDOH quarantine process.

Rodriguez stated that LCDOH will immediately begin outreach to identify close contacts and potential exposure areas per prescribed New York State regulations.

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 105

Negative Test results: 2,177

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is

a free and confidential service. Please call 585-243-7251, Monday – Friday from 9:00AM – 5:00PM. For COVID-19 information, visit Livingston County’s dedicated [COVID-19 Webpage](#) and join us on [Facebook](#), [Twitter](#), and our [YouTube Channel](#).
