Board of Supervisors Proclaims Week of May 17 – May 23 as Emergency Medical Services Week

Mount Morris, NY, May 18, 2020 — At its May 6, 2020 meeting, the Livingston County Board of Supervisors proclaimed the week of May 17 – 23, 2020 as Emergency Medical Services (EMS) Week to align with National EMS Week. The theme of this year’s week-long celebration is “Ready Today. Prepare for Tomorrow.” It honors EMS personnel and all of their partners on the COVID-19 front lines including all law enforcement agencies, 911 dispatchers, fire departments, and emergency departments.

All EMS responders in Livingston County are recognized for their dedication to saving lives and caring for the ill and injured. This week also serves as a reminder to residents that local EMS services are available 365 days a year.

David L. LeFeber, Chairman of the Livingston County Board of Supervisors, stated, “We extend our heartfelt gratitude and support to all EMS workers in Livingston County. Thank you for continuing to risk you own health and safety in order to protect the well-being of our community.”
