County and Chamber of Commerce to Hold Distribution Event for Local Businesses *Disinfecting Spray and Hand Sanitizer*

Geneseo, NY, May 18, 2020 — Livingston County is collaborating with the Livingston County Chamber of Commerce to distribute a limited supply of disinfecting spray and hand sanitizer. These supplies are available on a first come, first served basis **for Livingston County businesses only**. Event details are as follows:

Date

Saturday, May 23, 2020

Time

9AM – 12PM

Location

Livingston County Highway Department, 4389 Gypsy Lane, Mount Morris

Rain or shine

Pre-registration for this event is required. Businesses can register by visiting <https://www.livingstoncountychamber.com/events/details/sanitizer-and-disinfectant-pick-up-10960> or by calling 585-243-2222.

“We would like to thank Livingston County Chamber of Commerce for partnering with us on this event. These supplies will go a long way as businesses plan for their re-openings,” said Livingston County Administrator Ian M. Coyle.

Laura Lane, President and CEO of the Livingston County Chamber of Commerce, stated, “As businesses begin to reopen under this new normal, each one must have in place a safety plan that outlines how it will prevent the spread of COVID-19 among employees and customers. The availability of disinfecting spray and hand sanitizer will be a key component of these plans.”
