No New Positive Cases of COVID-19 in Livingston County

Mount Morris, NY, May 22, 2020 — As of this morning, the Livingston County Department of Health (LCDOH) is reporting no new positive cases of COVID-19 in Livingston County. The total number of positive cases remains at one hundred and twelve (112). Of these 112 cases, 96 are recovered and 9 are active.

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 112

Negative Test results: 2,628

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.

Livingston County Administrator Ian M. Coyle said, "As we look forward to the long Memorial Day weekend, we encourage all Livingston County residents to stay safe and use precautions. Please continue to social distance, wear masks, and practice proper handwashing to further reduce the spread of COVID-19."

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is a free and confidential service. Please call 585-243-7251, Monday – Friday from 9:00AM –

5:00PM. For COVID-19 information, visit Livingston County's dedicated [COVID-19 Webpage](#) and join us on [Facebook](#), [Twitter](#), and our [YouTube Channel](#).
