News from Livingston County, NY

Three New Positive Cases of COVID-19 in Livingston County

Mount Morris, NY, May 25, 2020 — The Livingston County Department of Health (LCDOH) reports three new positive cases of COVID-19 in Livingston County as of this morning, which brings the total number of positive cases to one hundred and fifteen (115). Of these 115 cases, 98 have recovered and 10 are active.

According to Jennifer Rodriguez, Livingston County Public Health Director, these individuals and any associated household members are now in the LCDOH quarantine process.

- Female under 10 who resides in North Dansville
- Female in her 50s who resides in York
- Female in her 70s who resides in Avon

Rodriguez stated that LCDOH will immediately begin outreach to identify close contacts and potential exposure areas per prescribed New York State regulations.

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 115
Negative Test results: 2,990

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at https://www.livingstoncounty.us/1207/COVID-19.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is a free and confidential service. Please call 585-243-7251, Monday – Friday from 9:00AM – 5:00PM.
