### **No New Positive Cases of COVID-19 in Livingston County**

**Mount Morris, NY, May 29, 2020** — As of this morning, the Livingston County Department of Health (LCDOH) is reporting no new positive cases of COVID-19 in Livingston County. The total number of positive cases remains at one hundred and sixteen (116). Of these 116 cases, 101 are recovered and 8 are active.

The updated numbers of positive and negative COVID-19 test results for Livingston County are:

Positive Test results: 116

Negative Test results: 3,404

LCDOH will continue to update these numbers daily on the County's dedicated COVID-19 webpage at <https://www.livingstoncounty.us/1207/COVID-19>.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is a free and confidential service. Please call 585-243-7251, Monday – Friday from 9:00AM – 5:00PM. For COVID-19 information, visit Livingston County's dedicated [COVID-19 Webpage](#) and join us on [Facebook](#), [Twitter](#), and our [YouTube Channel](#).
