Weekly Drive-Thru Food Distributions in Livingston County ***Summer Schedule***

Geneseo, NY, June 24, 2020— Livingston County is continuing its partnership with Foodlink and local school districts to hold weekly drive-thru food distributions throughout the summer months. The goal of these distributions is to assist households in need of food support during this public health emergency. Food will be distributed on a first come, first served basis to Livingston County residents only. Registration *is not* required.

Each vehicle will receive three (3) boxes of prepackaged food, totaling approximately 75 lbs. The boxes will contain dairy, produce and other perishables.

These events will involve no-touch distribution. Proper social distancing will be maintained at all times in order to protect the health and safety of everyone at each location.

Ian M. Coyle, Livingston County Administrator, stated, "Livingston County is grateful for Foodlink's allocation of food resources in our community. These food boxes are helping to combat food insecurity by providing fresh produce, dairy and meat to families." Coyle continued, "We will continue to hold distributions during the summer months at various school districts throughout the county. Thank you to our schools for partnering with us on this effort."
