### **2020 Census: Still Time to Respond**

**Geneseo, NY, October 7, 2020** — There is still time to respond to the Census! The United States Census Bureau is continuing to accept online and mail-in enumeration forms until October 31, 2020 per a Federal District Court decision.

The constitutionally mandated Census, conducted every 10 years, helps determine, by population count, how much funding Livingston County may receive in federal funding to support many services. The Census also determines the number of congressional seats New York State receives in Washington.

Residents of Livingston County are encouraged to utilize the online Census information and reporting resources available to them on Livingston County's dedicated Census 2020 web page at <https://www.livingstoncounty.us/1211/Responding-to-the-2020-Census>.
