State Imposes New COVID-19 Restrictions

Geneseo, NY, November 12, 2020 — With the number of positive COVID-19 cases climbing in New York State, Governor Andrew Cuomo is imposing new statewide restrictions effective Friday, November 13, 2020 at 10PM. According to the Governor's [website](#), the restrictions are as follows:

- Indoor and outdoor gatherings at private residences are limited to 10 people or fewer.
- Bars, restaurants and gyms or fitness centers, as well as any State Liquor Authority-licensed establishment, will be required to close in-person service from 10PM to 5AM daily.
- Restaurants will still be allowed to provide curbside, food-only pick-up or delivery after 10PM but will not be permitted to serve alcohol to go.

Empire State Development provides these additional details from New York State:

- Social clubs – Elks, American Legions, Ancient Order of Hibernians, Knights of Columbus, Sons of Italy, etc. are included in the restrictions.
- Restaurants without liquor licenses – They are also included in the restrictions but are allowed to continue delivery and to-go service after 10PM.
- Casinos – the entire casino floor operation must close at 10PM (not just the bars, restaurants, and drink service).
- Movie theaters that have SLA licenses – If a movie theater has an SLA license, all movies in the theater have to be over and closed by 10PM.
- Last call must take place before 10PM.
- 24 hour establishments such as diners may reopen at 5AM.
