Free Drive-Thru COVID-19 Rapid Testing Available in Livingston County

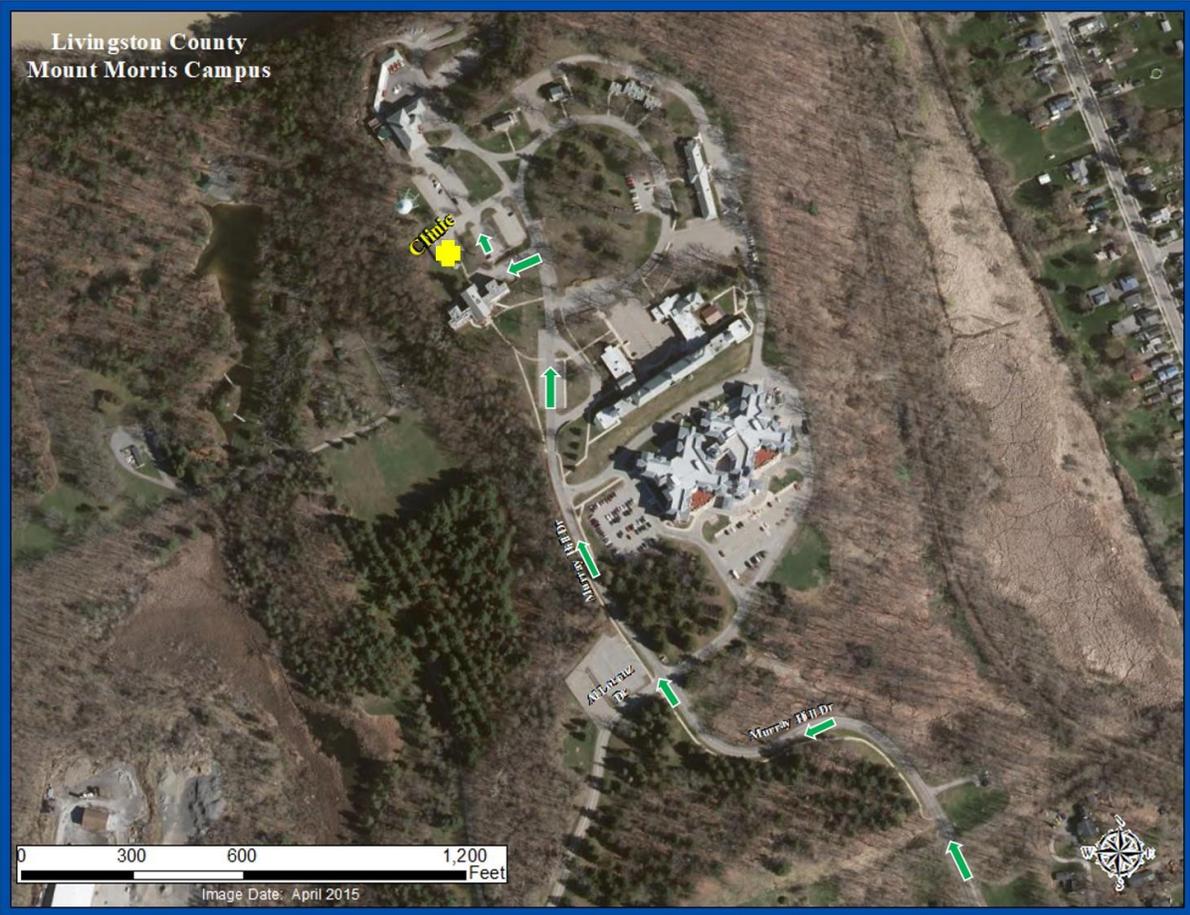

Mount Morris, NY, December 7, 2020 — The Livingston County Department of Health (LCDOH), in conjunction with the New York State Department of Health (NYSDOH), will be providing free COVID-19 rapid testing with same day results for Livingston County residents only. Testing will be available on **Saturday, December 12, 2020 from 10AM – 12PM** at 10 Murray Hill Drive in Mount Morris. No appointments are necessary, and testing will be available until supplies are depleted.

***** In order to expedite the testing process, please visit the Livingston County website at www.livingstoncounty.us/172 or click [here](#) to complete and print an intake form. Be sure to bring this intake form with you to the drive-thru testing site. *****

- COVID-19 rapid testing is FREE at the drive-up site.
- You will need to bring photo ID.
- This is a DRIVE-UP clinic. You will remain in your vehicle for testing. Please put your vehicle into park when you pull into the testing station.
- Participants must wear masks and remain in their vehicles with the windows rolled up until testing occurs. Please roll your window down slightly when you need to talk to staff. Keep your mask on at all times when talking to any staff.
- Those under 18 must be accompanied by a parent or guardian. Children under 12 will need parents to assist with testing. Pets should be left home.
- You will be called later in the day with your results.

“There is a need for COVID-19 rapid testing as we continue to see an uptick in positive cases. Additionally, peak cold and flu season is upon us,” stated Jennifer Rodriguez, Livingston County’s Public Health Director. “We are happy to once again offer free COVID-19 rapid testing to Livingston County residents. By increasing access to this testing, our goal is to help slow the spread of the virus.”

For more information on COVID-19 rapid testing, please contact the Livingston County Department of Health at 585-243-7270.
