**Instructor: Michael Levey**

**Course Description:** Provides vehicle operators with a better understanding of the seriousness of emergency vehicle operation. Based on objectives from National Fire Protection Association (NFPA) Standard 1002 Fire Apparatus Driver/Operator, Chapter 2, this course stimulates the thought processes to make students aware of the potential for tragedy and financial loss and of the legal and moral responsibilities encountered when operating an emergency vehicle.

**Prerequisites:** A valid driver's license.

**Course length:** 18 hours

**❖ A Training Authorization Form must be received prior to the first class.**
