

Livingston County
Office of Emergency Management
Andrew Brodell, Director

Ice/Cold Water Rescue - Technician Level -

will be held at the:

Center for Emergency Operations & Training
3630 Gypsy Lane, Mt. Morris, NY

on the following 2023 dates:

Saturday February 11th & Sunday, February 12th

8:00am – 5:00pm

Instructors: NYS OFPC Staff

Course Description: This course provides an advanced level ice rescue training including self-rescue, shore based ice rescue techniques, and go ice rescue techniques. This is a hands-on training program which includes a significant amount of on ice time for skill practice. It also addresses the effects of cold water on victims, ice rescue techniques, off shore techniques, and ice rescue equipment. Course will include several scenario based ice rescue exercises.

Designed for: All emergency response personnel
