

Livingston County
Office of Emergency Management
Andrew Brodell, Director

Basic Wildland Search Skills

will be held at the:

Center for Emergency Operations & Training

located at: **3360 Gypsy Lane Mt. Morris, NY**

on the following 2024 date and time:

Saturday, March 30th, 8:30 a.m. to 5:30 p.m.

Instructor: Department of Environmental Conservation

Course Description: Developed by the New York State Department of Environmental Conservation, the Basic Wildland Search Skills course teaches the most basic skills needed to conduct search in the wildland environment. Topics covered in this course include, basic search organization (Incident Command System), communications, search techniques, attitude and safety. This course concludes with a field exercise to practice the type 3 search technique (grid search) discussed in the classroom. Graduates of this course will receive a Green Card which will identify them as having successfully completed this course. This course is also a prerequisite to other more advanced search courses offered by the New York State Department of Environmental Conservation.

Course length = 8 hours

Designed for: Fire Department membership interested in wildland search and rescue techniques.

****Prerequisite: NYS Fire Department Affiliation only – No other courses**

To request enrollment in this course:

Email NYS Training Authorization Form to:

Director Andrew Brodell - abrodell@co.livingston.ny.us
