

E.A.R.S. Lifeline and Medication Dispensing Services

The E.A.R.S. Lifeline Program has been providing medical alert services in our community for over 34 years! Our Philips Lifeline products are FDA approved and Made in the USA. This service supports older adults and those with chronic medical conditions living at home by sending help whenever the unexpected happens...a fall, medical problem, mobility issue, or security concern. Our local program covers a 50 mile radius of Noyes Hospital, including Livingston and surrounding counties.
