Livingston County Continues Micro Job Fairs; First Job Fair Planned for January

Geneseo, NY, December 28, 2018— The Livingston County Offices of Workforce Development and Economic Development announced today their plans to continue the monthly micro job fairs in 2019. The first of the job fairs will take place on Tuesday, Jan. 8th from 4-6 p.m. at the County Government Center, 6 Court Street in Geneseo.

The monthly job fairs are designed around those actively seeking employment in Livingston County who want a new job, but also desire to stay close to home.

“When we launched the micro job fair events earlier this year, our goal was to reach more job-seekers than we ever had before,” said Ryan Snyder, the Director of Workforce Development. “As we make the fairs a monthly event in 2019, I am confident that my office, along with Economic Development will continue our recent successes and improve the economic standing of even more of our residents.”

Each of the job fairs in 2019 will take place on the second Tuesday of each month. For more information on the January job fair and to stay informed about future events, visit the Office of
