CNR Celebrates Nursing Home Week

Geneseo, NY, May 14, 2019— Livingston County Center for Nursing and Rehabilitation (LCCNR) is celebrating Nursing Home Week, which starts on Mother’s Day, May 12th and ends on the 18th.

To recognize Nursing Home Week, the LCCNR will be hosting many events for its residents and staff throughout the rest of the week. The events include:

- Park Avenue and Memory Lane Picnic Day and a Trivia Quiz on May 15th;
- Country Lane and TCU Picnic Day and Animal Print Day on May 16th;
- Staff Appreciation Picnic on May 17th.

“At the LCCNR, we strive to provide the highest level of care and services to our residents,” said Director of Long-Term Care Stephen Woodruff. “There is no better example of that commitment than our consistently-high marks for patient care satisfaction and our recent dialysis clinic expansion. I am proud of the hard work that our nurses and staff members achieve on a daily basis. I thank them, along with the members of the Board of Supervisors, who recognize the importance of LCCNR, and continue to make its operation a priority of our community.”

The LCCNR is one of the few county government-operated nursing homes still in operation in New York State. For more information on the LCCNR and Nursing Home Week, visit the [LCCNR’s website](#).
