### **Ribbon-Cutting Ceremony for New Rochester VA Outpatient Clinic in Henrietta Scheduled for Late September**

**Mount Morris, NY, September 17, 2019** — A ribbon-cutting ceremony for the new Rochester VA Outpatient Clinic in Henrietta is scheduled for Thursday, September 26, 2019 at 10:00 a.m. The new 84,000-square-foot facility is located at 260 Calkins Road and has more than 600 parking spaces. It replaces the smaller, outdated VA outpatient clinic on Westfall Road.

The VA intends to begin seeing patients at the new location on October 9, 2019. Veterans who are usually seen at the Westfall Road location will be notified when they make an appointment where that appointment will be.

The facility will offer expanded primary and specialty care services, including women's healthcare, mental health assessments, and social work support. It will also house eye and dental clinics, an outpatient pharmacy, and audiology, endoscopy, lab draw, and diagnostic imaging services among others.

Those who wish to attend the ribbon-cutting ceremony should RSVP to Carol Strub at [Carol.Strub@VA.GOV](mailto:Carol.Strub@VA.GOV). For more information on veteran services in Livingston County, please call 585-243-7960 or click [here](#).
