**Public Invited to Comment on Improving the Health of Livingston County**  
*We need the community's help!*

**Mount Morris, NY, September 30, 2019** – The public is invited to provide input regarding health concerns facing Livingston County. The Livingston County Department of Health, Noyes Health and the Genesee Valley Health Partnership are in the process of conducting a community health assessment. A summary of health needs in the county has been gathered during a comprehensive assessment process completed over the last year and is available for the public's review and comment. Please visit the Livingston County Department of Health's website at [www.livingstoncounty.us/doh.htm](http://www.livingstoncounty.us/doh.htm), UR Medicine | Noyes Health's website at [www.noyes-health.org](http://www.noyes-health.org) or Genesee Valley Health Partnership's website at [www.gvhp.org](http://www.gvhp.org) to review the summary. You can also click [here](#) for a direct link to the summary.

Community input is a valuable part of the community health assessment and community health improvement planning efforts. For more information on the Community Health Improvement Plan or to provide comments or suggestions regarding the plan, please contact Lisa Beardsley at 585-243-7531 or [lbeardsley@co.livingston.ny.us](mailto:lbeardsley@co.livingston.ny.us) by **October 12, 2019**.
